I remember Norma's pleasant smile and kindness. She must've made a real impression, because I was only 5 yrs old . My father pastored the Port Hope UMC. in the late 1960's. Warren and Norma remained friends for many years. They're gathered together again worshipping in the presence of God. May Gregg. Paula and their families find strength in each other and wonderful memories...share them...write them down.

Our condolences to Gregg, Paula, and their families. She was always a lady of elegance, smiling, attentive, and supportive of her kids and and grandchildren. Imagine my surprise the day I learned that you grew up in the house where my mom now lives... the farm that we kids referred to as "the other place" and my parents called "the Gallarno farm"! I pray that everyone who knew Norma, and now misses her, feels the loving arms of Jesus enfolding them through the actions and words of others.

Dear Paula, Mike and family, We are very sorry to hear of the passing of Norma. She was a beautiful person. I remember having such a lovely conversation with her at Shawn and Megan's wedding. Her and I were waiting in the church lobby for the bridal party to finish taking pictures and we were able to chat and get to know each other. And to this day whenever she would come up in conversation, I recall that moment fondly. She struck me as the kind of mother and grandmother anyone would be lucky to have. I have no doubt she spread love and kindness to anyone she came in contact with during her 93 years of life. God Bless you all during this time. -Chrissa Landis

I will never forget spending New Years Day several years ago with Norma and the rest of the Gust family watching football and eating ham rollups and homemade pizza. She was always so pleasant and kind and a great cook! She will truly be missed, my family and I will be keeping her in our prayers. - Drew L.
