“ Our family extends our deepest sympathy to the Bomia family. We are so shocked and saddened and we can only try to imagine the loss that you feel. Elwood was our friend. He was always there with a smile and a wave. He was kind, thoughtful and always helpful. He was as strong as two men, yet was soft spoken and ready with a laugh. Elwood always asked about everyone in our family and spoke fondly of his. He often commented on how much he loved Cheryl and it was easy to see that he loved his children on those occasions when they helped him in the resort.

It is difficult to believe that he is gone. He will be missed.

“ Elwood was the best kind of man: quietly kind, unfailingly decent, ready smile, always ready to go out of his way to help and share a few minutes of conversation. We talked about so many things in those moments, his family, my family, the daily stuff and the important stuff. He helped me out countless times with all the little things I could not manage by myself, lending his knowledge and strength to my projects. I noticed he wore old band t-shirts in the Summer, and once told him that they could be worth a lot to collectors. He said they were not original, but he did like the the designs. The leaves came down really fast this Fall, every time Elwood would make a pass on his mower, almost as many came down behind him. I said the leaves were laughing at him. He grinned and said yep, but soon the snow would fly. Now he is laughing with the leaves in the morning mist and the Grace of God. There is an empty spot here on earth where he should be. He will be so missed by all of us who had the privilege to know him. Our sincere condolences to his Family, the Sloans #3

“ Elwood was so helpful, considerate, knowledgeable and willing to put extra effort into everything. His concern for the safety of the kids was always first.
And- he put up with Darrell for all these years!
We will miss Elwood for a very long time, and his quiet and friendly personality will live on with all who have known him.
Best wishes from the Clark family,

“ The Board of HBRA invariably sends out a number of notices each year about the passing of this member or that, but Elwood's passing really hit me hard. I talked to him every time I visited the resort and probably had more interactions with Elwood than anyone else at the resort because he was always out there, raking, cutting grass, or helping Darrell with the never ending chores and projects of the resort. My last conversation with him was in October when he was doing something at the tennis court and took our last bag of trash from the cottage and dumped it. Always helpful, that was Elwood. It won't be the same without him. May the Lord be with you in this time of painful adjustment.

“ Elwood was a wonderful presence in the Harbor Beach Resort Association (HBRA). Over the years, we all appreciated his hard work, helping hand and welcoming smile whenever he saw us. It is not going to be the same without him. On behalf of the board, residents and friends of HBRA, we send our condolences to the Bomia family.

“ I loved this man. Because of him, our front lawn was always clipped to perfection. And he always shut the blades down when we were walking by, so shrapnel from the yard wouldn't skewer us. But one day, he became a hero. We had a moving van about the length of the town dock bring our cottage furniture. And they couldn't get the damn thing into the resort. The Semi was just too long to make the curves So I had the movers stay just outside the resort, not wanting to take off the edge of the new clubhouse, and went to find someone who could help shuttle our stuff in. I found Elwood. He threw all the stuff off his truck and said he'd be down to meet the movers in a few minutes. And he did. He loaded everything we had on the barge into the truck , brought it to our cottage, and helped the movers bring it in and place it. No complaints, and happy to help. I'll never forget Elwood for that. This is a loss to HBRA, and I wish his family peace and comfort.

“ We will miss Elwood's smile and wave as he went by on the mower or truck. He exuded optimism and good cheer and that made everyone around him feel good. We send our sympathy to your family.
