“ Randy, his father, and Rapson's was such a big part of my family's Harbor Beach summer life. Every year I couldn't wait to stop in the store.....which I would do regularly. We always had laughs, and loved reminiscing about our fathers' days together in HB, parades and what not. I will feel and already do, a great sense of loss when I take my first walk through town. He was the best.

“ Wendy & I are saddened by the news of Randy's passing. Great memories of Harbor Beach and riding mini bikes through the neighborhoods and going through high school together. Randy was a friend to everyone he met and he will be missed. Even though I know we haven't been in touch for some years I know Randy was a person of faith, Christ told, when asked what was the greatest commandment he replied; "love your neighbor as you would yourself. Randy exemplified these virtues throughout his life. My prayer is that God will continue to bless and keep his family during this time of grief.

“ Randy touched the lives of many young men here in Harbor Beach through his many years of coaching Babe Ruth baseball. Randy was an excellent coach and teacher. Also, Randy was much more than an HB sports fan, he was a mentor and friend to many current and past players and coaches, myself included. Randy was especially supportive during the tough times. We will all miss Randy's humor, smarts, determination, and personal example.

God Bless,

“ Andrea and family we are so sorry for your loss. Thou we didn't know Randy personally except for a hello here and there at church when we were with Janelle and around town sometimes at different events we would see him over the year. No matter where we were when we heard his voice we just knew it was him. He was such a nice man everyone that knew him will all have a special memory of him I'm sure.

Andrea please remember there are holes in the Floor of Heaven and Randy will always be looking down on you!

God Bless you and your family.

“ Rhonda, Paula, Dave, Tom, Rich, Ellen, and Andrea, Our thoughts and prayers are with you and everyone in the thumb. Randy had a positive influence on everyone. Thank you so much for all of the wonderful experiences in and around Harbor Beach and Bad Axe. Reunions, weddings, and other excuses to see one another were always special. Your parents, Aunt Virginia, Aunt Matilda, Aunt Esther and my grandparents always found a way to bring everyone together. Randy was a great man and pure joy. We have so many wonderful memories of Randy. He was always upbeat and made everyone smile and laugh. One of the best memories is when he would talk at wedding receptions. After one notable toast, Randy took the microphone and said that the previous speaker may have had too much Dimetapp as a child. We feel very fortunate to have spent time with Randy, Andrea, and all of our relatives in Harbor Beach. When all of the numerous cousins were little, Randy would give them a ride on the lift of his van. We remember Randy always, what an inspiration. Lots of love and hugs from the Atlanta Schewe Family

Randy was one of the most courageous persons I have ever known with the way he handled his life after the horrible mishap in the family pool at such a young age. He was one of the best liked kids in school and a wonderful athlete.

“ I have so many Great memories of my Friend Randy. He was the first one to greet me when I started the second grade at Zion Elementary. We became friends right away and did things together for many years. From kick ball to baseball to just riding bikes or sliding in the creeks in the winter, we hung out. He encouraged me to try out for the little league teams and I was so excited that I was able to get on the same LIONS baseball team with him. Countless hours passed of just goofing off. As time has it's way, life took us in different directions. But whenever I saw Randy over the years he ALWAYS had a smile and a nice welcome. I can never remember Randy being sad and only had a good view of life no matter what his struggles were. He and his family gave me childhood memories that I will never forget. I know he will be missed but his memory will stay with so many people he touched over the years. Including me.. I am very sad for his passing but for some reason I think he is still smiling in a better place. My thoughts and prayers go out to all of his family.. I wish for all to be happy they knew Randy even at a time such as this.

“ Randy was an awesome mentor. He had a huge impact on my formative years. He helped me to develop a confidence in myself and I will forever be grateful for his guidance. “ Andrea, Rhonda, Paula, David and families,  
Please accept our sincere sympathy. Randy was one special guy. We met the Rapson family almost 43 years ago when we were teachers at Zion School. We were welcomed to town and into their family. We were included in on so many family gatherings, that we felt like part of their family. Randy and George helped to get us set up with appliances--having just replaced the washer a few years ago!!!! David remembers Randy helping him coach Basketball at Zion, and did some refereeing for him. We agree with Dean Witherspoon--you could always tell when Randy had a new joke to tell. So many wonderful memories.

Randy has parked that chair, and is now walking about heaven, telling his jokes to his captive audience there.

You are in our thoughts and prayers. Wish that we could be there with you.

God Bless~

“ I will never forget my first Sunday at Zion Lutheran in Harbor Beach. Randy rolled across to a spot in the front to make some announcements. He began with 'This is the day that the Lord has made; let us rejoice and be glad in it.' Randy was so welcoming, so supportive of everybody in Harbor Beach -- but for us, as newcomers, and for my sons, as young men, he was invaluable. Prayers for Andrea, for his siblings, and for his nephews and nieces -- I can only guess the positive impact he had on all of the Wood boys -- who were my sons friends. God's peace and blessings to you all. Jim Jackson

“ Andrea, Rhonda, Paula and David, We are saddened to learn of Randy's passing. Our families have known each other since forever. One of my earliest memories of Randy was when, after a long day of hard playing as toddlers, our parents threw us in the tub together, but not before we both had to each wrap a wash cloth around each foot before stepping in. That was when we both discovered we had the same silly idea about bath time. There is a picture in existence somewhere in our family album of those happy times. Ha ha Randy, hope you don't get me back for that one.

Growing up and to this day, the name "Rapson" is synonymous with "Harbor Beach", as it most likely is for many. Randy, you were my best friend up there and always will be. Actually, you were my first 'guy' friend and since I didn't have a brother, you fit in perfectly.

Having been so blessed with Andrea, close family and a witty sense of humor, was comfort to many of us. We always knew he'd be alright. He's also been a blessing to many others over the years and has given so much to his church, school, community and friends. Thank you Randy, for being a part of our lives. We will miss you awful!

Our family is with you in spirit and prayer! God Bless!

“ My dearest Rapson Family...much love and hugs to all of you. Your family has always been special to my family...there are so many memories and stories that were always told about your family and mine. I sit here tonight with sadness in my heart and tears in my eyes, but it is also mixed emotions. How can I not be happy for Randy to join some of his family in heaven, and I know my brother, Chuck, was waiting for him with open arms! You can bet those two are pulling jokes on everyone in heaven like they always did here with us. I will always cherish the times our families spent together, the canoeing trips, the dinners at each other's houses, the goodies our mother's made each other and just the friendship we all shared. We are all lucky to have had Randy in our lives. Andrea you are one special woman, and we all love you dearly. We will continue to pray for you as well. Rest in Peace Randy...love to all my Rapson Family at this difficult time!!

“ Hi Andrea and Family. We were so surprised to hear of Randys passing. I will never forget the great laughs Randy and I had when he was going to H.M.H. We would get laughing so hard we would have to stop the stretching session. He always had a smile on his face and always made my day. I asked him one day, if he would have the opportunity to walk again, would he take it, he said No, that he had made such a wonderful life for himself with Andrea, he was happy where he was ...what a great outlook on life. I can still see Randy leaning on the shovel and shaking his head "no" as I floored the accelerator of my mother's car in the driveway and proceeded to launch it into the garage and through the back wall of the house. Our friendship grew even stronger when I had the privilege of working with Randy, Bill, and George at Rapson Electric. I said that I couldn't be back in town until the following week. Randy told me that I could leave a key and they would deliver it even if I was not there so I did. I get a phone call the next day saying that it's in and all is well. After I had hung up it occurred to me that Rapson's had delivered/ installed the refrigerator and I hadn't even given him any money. “ My dad's favorite Godson attended my ordination, had me officiate at his wedding, delivered our first washing machine to our house in Lapeer. He played the funniest game of "catch phrase" ever; we laughed until we cried - with or without the help of cherry whiskey! We enjoyed summer visits with an rides out for ice cream and "deer spotting", evening TV sports viewing and hot-tub relaxation. There were the numerous store visits and regular donut fests, frequent Williams Inn feasts and porch rendezvous. All things serious could be mixed with humor and the sacred was held with dignified and delightful fun. His "sainted" wife, Andrea, pictures patience, endurance, and steadfast love in countless circumstances of challenge. Together their faithful service and devotion to the Lord and His Church encouraged the same and that with joy-filled expression. Randy is dearly loved and will be greatly missed and warmly remembered as a remarkable "Harbor Beach community icon". The region will not be the same but George Randall Rapson left it better with the contribution of his life. Now absent from the body and at home with the Lord, heaven is raucous place with his reunion with his parents, George and Shirley, and my dad, Fred. Jesus promised life, life abundantly, and eternal life. Now Randy has known and knows all three. Heaven's peace to the rest of us and consolation that surpasses understanding to Andrea!
