“ I loved visiting Aunt Pat and Uncle Bud's home in St. Clair Shores because we could have potato chips - with DIP!! - when we drank our Pepsi!! Easter was a special time with the Donnelly's and Aunt Pat and Uncle Bud introduced me to my first taste of lamb on an Easter Sunday after leaving Mimi and Baba's house...delish!! I remember there always being so much laughter in Aunt Pat's home, so much fun, and she was as beautiful on the inside as she was on the outside! I could never figure out how Aunt Pat never aged, she was just beautiful..! I am so glad that she and Uncle Bud moved up north so she could fish, garden and spend time with her grandchildren. I am so sorry for your family's loss, which is certainly Heaven's gain..! I love you all!
