“ *Bill and MJ-
Please accept our deepest sympathies.*

Bill, your Mom was a very kind and gracious lady. She was like a second mom to all of us in high school, always tolerated our shenanigans and never had a harsh word for any of us. She truly was a very sweet lady.

May she rest in peace,

“ You were a very special mother in law. Always making me feel welcome as my life went on and I will like many others always remember your sugar cookies, and learning how to play cards. You had many losses in your life time and I learned so much from you on life going on in a different direction. I will always hold your memories deep in my heart. I love you always.
