“ *Anita was a very special and beautiful person. She always had a smile on her face and brought many special memories to us at Adult Day Services. We speak of her many times and how much we miss her. She was a very beautiful lady. And it was such a pleasure to have had the pleasure of knowing her. You have our sympathy, and our thoughts and prayers go out to you and your family. From Anita's friends at the Huron Adult Day Center*

“ *Anita was just like a Grandma to my daughter Melissa, who Laurie took care of day after day from the time she was 8 weeks old, for the last 14 years. Anita was such a good and caring person. She showed so much love for her grandkids, including Melissa. She made it seem as though you were a part of their family and she enjoyed each and every one of them. I spent a few holidays with her and her family and will never forget those special memories. God Bless you Anita and also your family that will miss you so much. <3
