“ *We Artman kids always called Mrs. Sawielski Gramma Sawielski. She was such a warm and loving lady and always made us feel welcome and part of the family. She and Gram were good friends and sometime through years I began occasionally writing her short notes just to stay in touch. I think we each took comfort from them, my writing them and her reading them. She had a remarkable memory and wonderful stories. I admired her strength and determination to remain independent. I will think of her with fondness.*
