“ Tony was a friend of my dad, who he met in AA. My dad unexpectedly passed away on the day him and Tony were supposed to go fishing. Tony was actually the last person to see my dad (other than my mom) before he passed away. I would like to bet that they already have that fishing trip rescheduled.

Tony was very special to our family; such a bright light with a laugh to be remembered forever.

Our condolences are with his family during this difficult time.

With love, the Dillon/Basham family.

“ To share just one memory is impossible when you've been a part of each other's life since birth. Tony was that annoying little brother who interrupted Pam, Dawn, & I were together. Then as he grew, he was the brat who helped throw me in pools as we grew into teenagers. But as adults, his smile, laugh, and twinkling eyes warmed my heart. He became my friend, my brother too. I will miss his big bear hugs- I miss him. That bratty boy next door who grew into my treasured friend.
