“ I just found out about Arnold. He was one of my very favorite Legionnaires. So sweet and kind, and could be a bit of a pistol with his humor! :) I will always remember him and his friendship. <3

“ I'll always remember Arnie from my time working at the hospital in Harbor Beach. When He would visit he would always have a song. I recall singing "Detroit City" with him on one occasion. My condolences to all of the family.

*A world without Arnie is a sad place. Arnie and Shirley are lovely, caring people. My husband and I are thankful to call them friends. They love God, family and their community. Wonderful examples to follow. I will miss Arnie's jokes and songs. He liked to hear people laugh. He liked to teach people about Jesus through his singing. Arnie was a true warrior to the end. The strength he had to get through the difficulties was amazing. Rest in peace dear friend. What a great loss.*
