“ *He was my Dad and the best one too. He chose to give me his last name, and to raise me as his daughter. He taught me to stand on my own 2 feet, fush,hunt, shoot, sail,care about people and respect. I love him dearly and will miss him greatly*

“ *He loved my brownies and was always very nice to me and was a constant friend to my sister Teresa and her husband, Fred Mutart and to me. He will be greatly missed. Especially since there are so few kind, caring people in this world. He is definitely in a better place.*
