“ *Sharing a memory is what it is all about, your loved one is on her way to holy land to do the job of her Lord and savior. Tasks on earth are done....rest in peace along with your parents and hubby, Barbie as her mom used to call her. To her family left behind keep the faith we are praying all can find the will to let go and live on. Luci and Sally friends of her parents.*

“ *I, Irma Gaffke , am sadden to hear of the passing of your loved one. May the good Lord give the love to get through your loss of such a lovely sister. Your parents were our acquaintances many years ago. They too were very kind and loving, that Barbie is in the arms of her Lord is my prayer. Resting in Glory land for sure Keep the faith you all.*

“ I’ve known Barb for over 40 years and have the best memories of my life with her. She has the kindness soul and not once did I ever hear an unkind word come from her about others. She always thought of others before herself and made you feel good on a bad day. She was a great wife to Jerry and thought the world of him. She was the best sister, awesome Aunt and a wonderful daughter. Barb you’ve done your job on earth and God needs you in heaven to bring happiness to those souls up there who miss their families from Covid. Thank you for being my friend here on earth and best of all thanks for the memories. Love you girl.

“ Barb and Jerry became friends, really close friends, in 1977 when I went to work in the Federal Building in Saginaw. We spent countless hours together, partying, laughing, dancing, watching baseball games, sharing meals and our lives and families. The friendship lasted from that point on, even though I wasn't able to see her the last couple of years. But, the love and caring lived on. Knowing that she is finally back with Jerry and at peace eases my grief. Love you still Barb. You have earned your rest.
