“ *Remembering Bea a good friend and neighbor. Bea was happy to be asked and came to Zion School on Grandparents Day for my two children when their own grandparents were unable to leave work to come up from Detroit. Our family really appreciated her presence.

“ *I am very sorry to learn of Bea's passing. She will be dearly missed by her family and friends that treasured her. I hope a passage at Isaiah 25:8 brings comfort where it says, "He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces." Your family will be in my prayers.*
