“ *I am sorry this is so late, I was out of state and just got back, sorry I missed her service. I work in long term and enjoyed Bertha and her laugh. She was such a joy to be around and when I passed snacks at night time she always looked forward to me coming in to visit. If I was later than I should of been she told me so too, I sure will miss her. You and your family are in my thoughts and prayers. Jean Ferriby*

“ *I met Irvin in 1943 in Australia when I was 12 years old. I met you in my retirement whilst looking for Irvin. Father Andrzej Borocho found the family. I was delighted you still had the sandwich tray I had made. I was so happy to have found you and enjoyed the time we had though it was from afar. God bless you Bertha. Brian and Ruth Australia.*

“ Aunt Bertha and Uncle Irvin played an important role in my life when I was young. I would spend a couple of weeks at my grandparents in Harbor Beach every summer and the 1st place I would go was to Aunt Bertha's. I always felt welcomed! When I got older I realized how small the house was and the magnitude of raising 10 children. I didn't appreciate it at the time. Several years ago I was able to attend her 90th Birthday and she was still a great lady at that time. Our prayers go out to my cousins and their families. I thank God for my aunt and look forward to that day when we will meet again.
