“ I got to know Betty in the last year of her life, and what a blessing I did! She was truly one of a kind and I will miss her sense of humor and caring nature. She loved visiting with people and playing cards. She taught me how to play Gappa. She always made sure I had a full belly, too.  
Betty would always ask me before I left, “where’s the party tonight?”  
She was a really special person and I’ll forever cherish the memories I have of her.
