“ I am one of the suppliers of commodities for the Jim and Dorothy Meissner dairy farm. It has been an honor to have their trust for so many years. The highlight of every delivery was talking with Brad to get his permission to deliver on the correct day so the cows would not be without feed. Brad was one of the kindest people I have ever spoken with on the phone. He shared my passion to always do the very best we could to take care of the cows. I will really miss Brad. I am so thankful that a photo of Brad was included so that I could see the face of a great man and wonderful human being. My prayers go out to Brad's entire family that God will wrap his big loving arms around the entire family and comfort them in this time of loss. Brad you are loved and will be really missed.
