“ *My heart breaks for you all, as I know all too well losing a parent to this awful disease. Your dad was loved by many, and always knew how to have a good time..we all, who knew him, have alot of cherished memories that we will carry in our hearts forever! You have gained another beautiful angel to watch over you...one on each side...time will go on, for the world does not stop for anyone, and the pain will ease in time...But you will always have beautiful memories of the happiness your family shared....God speed and help you all thru this sad time..Until we meet again* ❤️❤️❤️❤️❤️❤️
