“ Carol and Family,  
Just wanted you to know we are thinking of you. Carl and all the Roggenbuck's were a large part of my early years in Harbor Beach. Carl and I were in grade school together and remained friends throughout life. He was quite a character, there are many memories there . . .

Thinking of you,

“ I had the pleasure of being Carl's nurse on many occasions. I would bring his medicine into him, singing "Carl! I have your medicine!" (but I sing terribly!!). What would Carl do? SMILE. That was thanks enough for me.

“ Uncle Carl was one of the kindest, gentlest, most patient of men....a gentleman of integrity & true compassion. In addition to all these attributes he was a brilliant man. His mind was always working, creating, thinking, imagining. And there was also that playful side....like the numerous times he'd swap cows milk for goats milk, certain we wouldn't notice when we poured it unknowingly over our cereal & took that first awful swallow. He'd always giggle at our reactions....& always insist we couldn't possibly tell the difference. We will all miss your warm smile & wonderful ways, but also feeling blessed to have you join our band of angels.  
Much love,  
Your niece Renee

“ *Dona and I will always remember Carl's smile. Whether it was when he was visiting us in Kansas City or when we were in the convoy of vehicles moving Jeff and Lisa and their animals from Wisconsin to Maine, he was always smiling and helping everyone else to make light of the chores associated with the move or whatever was on the agenda for the day.*
