“ To family Of Carol L. Wessels, Lots of great memories through-out the years. When George and Carol were dating and after they got married they would visit my parents Lee and Florence Britt in Redford, Detroit. My father and him would go hunting together. Sometimes in Mikado, Michigan on Enos Wessels farm. My mother Florence used to baby set and clean for George and Tilie Wessels on the farm. We were always welcome at there home in Harbor Beach, Michigan. We have picture's of our boys on a toy tractor when they were little. It was always great to see them at the Wessels reunions. We had a nice visit and talk at our 2019 reunion and were friends on face book. Carol enjoy your new home in heaven! See you again someday! Love and Prayers, Eric and Charlett Stuebben
