“ I first met Charlie at HB Rotary Club and he always made me feel welcome every week at meetings, and a part of the club. He was always willing to go out of his way for others...and offer anything he could do to help. Planning fundraisers for the HB Hospital Foundation, he would generously give and support every time! You could always count on Charlie :) He was a kind-hearted and giving gentleman that I had the great pleasure to get to know. You will truly be missed in our community Charlie - thanks for all you did our town. Heaven gained a sweet soul for sure - they don't get any better than you Charlie <3

“ As we advance in life we have a chance to reminisce on the moments that make us who we are. In my early teens, along with my family, there were a few people who helped form who I've become. Charlie is at the top of that list. The days he would come over with Stanley to play basketball on the driveway and the lessons taught on the softball field will live with me forever. We bloodied each other a few times refusing to lose the game but Charlie and Stan never let us lose track of the principle of winning with humility and losing gracefully. Little did I know at the time that those "games" were preparing us for life. I'm proud to say I still have a lot of Charlie in me today, and always will.

“ Charlie used to be one of my bosses at the Dry Cleaners in HB. When I worked there in the late 80s till 93 or so. He always had a great sense of humor and really laid back and mellow. One of the nicest persons you could ever meet and work for. You will be missed Charlie....My thoughts are with the Phillips and Periard families during this hard time. Jeremy Ezack....

“ I am sorry to hear about the loss of your dearest Charles. My family and I wanted to send our deepest sympathy. I wanted to share a comforting thought found in God's Word at Isaiah 25:8. I hope that your family finds this text comforting as it did me and my family.
