Bryant you are gone but you will be forever remembered I met you through my Sister Karlene the love that she had for you for the 26 years that she had taken care of you you were not just her patient but you were her family. Even though she was not able to work for you anymore she always visited you every week to help you and take care of you even though she was not getting paid it didn't matter to her. Bryant you have fought a good fight your Job is done the Supreme Court has Ruled. Thank you my friend. Rest in paradise 🙏
