Craig will be missed. He loved his polka dances and loved getting together. We had a lot of laughs. What a very thoughtful guy who will be missed at all our gatherings. So sorry for your whole family. He always called me his sister he never had.

“ We started out as co workers at the Short Stop which turned into a great friendship, going to concerts together, landscaping together and walking after work which sometimes ended up sitting in his garage drinking a Bud Lite and eating barbecue chips, but at least we got that walk in. We had so many laughs and fun times. I am glad that I became your friend. Rest in Heaven you are at peace Craig.

“ I was sadden to hear of his passing. Craig and I had many adventures during our time in high school. I liked our drives around the county to look at Christmas light displays in our neighborhood and looking at what he could buy and make his display even better. My condolences to your family. May he rest in peace.
