“ I am so sorry about Dale and I will sure miss him, I had the pleasure of working with Dale at many functions at the Harbor Beach Community Hospital where he spent many hours and years being a Volunteer. He was my right hand at the Spring Health Fair every year and no task was every too big. He always had a smile for everyone and our residents looked forward to him calling bingo every week. Condolences to you Bev and your family. Jean Ferriby

“ Deepest Sympathies to your families. I came to know and very much appreciate Dale while he was a volunteer at the Harbor Beach Hospital. He was always so willing, and so generous with this time, especially when I asked for his help with the Foundation events and fundraisers...one of the kindest, always a gentleman - and always had a smile on his face. So glad to have worked with him, he will be missed. Regards, Connie Wolschleger

Bev and Family,

Condolences to you and to the families on the loss of Dale. I have so many memories of Dale to cherish, but his passing leaves a large hole in my heart We spent more time together in the 20 some odd years working together than we spent with our own families. I never met a better person, and I know I got more from our friendship than he did. I'm really going to miss picking up the phone and calling him. May God Bless you all in this difficult time.
