“ When the guys in JBS would stop at a restaurant after a band job Koz would ask the waitress how much a refill on coffee was. When she said refills are free Koz would say "I'll take a refill!" Will miss his quick wit and sense of humor.

“ A few years ago when my daughter raced at Owendale Speed Way I saw Dan and his son Cody at the race track. Cody won a drawing and got to ride with his favorite driver who is a close family friend of ours. The race track took Cody's photo riding with his favorite driver. A few weeks later I acquired the photo and got the Driver a friend of ours to autograph the photo. I took it to work and gave it to Dan. He was so excited and could not believe the driver actually autographed the photo for Cody. He said Cody would be thrilled with it. Dan always got excited over the simple things and that will be missed. Our Deepest sympathy Karen and Jeff Kreh

“ *Dan was such a remarkable person in so many ways. I got to know him here at DAS, but then I also had the pleasure of knowing him, Sharon and Codey outside of work, as Codey and my daughter, Melissa, grew up together for many years with the same babysitter. I have many photos of the two of them in thier PJs. :) Dan was a good father and and husband and a hard worker, with such good values that he passed down to Codey. I also had many years of enjoyment listening to him sing in his band and enjoyed that a lot. He was so talented! The world won't be the same without Dan in it. He will be missed by many. God Bless his family...*

“ A few years back I got into skipping (yep like a kid) for exercise. I ran into Dan at Wal Mart & told him how much fun I was having. He offered me 20 bucks to skip all thru the store. I'd of done it for free just to make him laugh.
A year ago I told Dan he was the funniest man I've ever met. I could always count on him for a belly buster laugh with the threat of peeing my pants. I can envision Dan now making Jesus laugh just as hard! I will miss my good friend.
