“ *This is so sad, Dan was so young, younger than 66 years old and even that is young. Live is not fair when it is cheated by death. We are ALL going to face death in our own way and time and God Our Father has set it up this way, ashes to ashes; dust to dust shall we all appear. My condolences, prayers and hugs to ALL of you. RIP Dan!*

“ *The James & Sharon Fuhrman families wish to express our condolences to Deanna and her kids, and to his siblings and their families at the loss of Dan. We pray that everyone feels the loving arms of Jesus enfolding them through the actions and words of others. I remember as a youngster Dan coming to our farm to fix the Blue Jewel Silos augers; running Port Hope grocery Store and allowing all the pop bottle fund raisers for PHCS sports teams; bus driving to sports events; tree trimming; resetting the cupola on the Wurdelman barn; and helping with training Kendra's horse Cheyenne. He will be missed by family and friends alike.*

“ Where do I start. We were friends with Dan and Deiner since we were 16. Double dates, beach outings, parties as you did in the 70's. They both were attendants in our wedding. Adult life sharing time and a couple vacations. As time changes things do to. I can only say Dan was a good friend, husband, man, father, and grandfather. The brightest most infectious smile. His love for Deiner and his family. He will be missed. R.I.P. Dan. Prayers and hugs for Deiner and their children and grandchildren.

“ I have many memories with you and your family! :(My heart is broken that you are gone. One of my first jobs was with you and Deanna at the store. It showed me how much a boss should care about their employees and set the bar high for my future expectations. You had a heart of gold and were the kindest soul, you will be missed by so many! Sending love and prayers of comfort to your whole family. Love, Lydia (Zinger) Romzek
