“ *Rest in peace my sweet Aunt Darleen. All the years of holidays and celebrations were made special with her presence. A kind soul always smiling. We will miss you. Wishing peace and comfort to Uncle Ray and all my cousins through out this difficult time. Love you all. Michele Centi*

“ *Well I was writing my last memory I lost contact. So if this is a repeat I apologize. Just wanted to share that Darlene stood up for my wedding in 1965. As kids she, my cousin Anne, and I shared a lot of memories playing up in our grandmothers attic finding all the treasures we could find. Cousin Anne passed back in December. Even though we did not have much contact throughout the years due to our locations I will remember our times together. My deepest sympathies to Ray and all your family. Cousin Pauline. 🙏*

“ I am so sad to hear that Darleen has passed. She was loved by so many and will be missed very much. I use to love visiting her at the office and running into her and Ray at yard sales and other events. Port Hope just lost a outstanding wonderful lady! My prayers go out for Ray and all the family. Much Love. God Bless.

“ *There are so many wonderful memories that I have of my Auntie Inga... She loved her family with all her will. There wasn't anything that she wouldn't have done for any of us. She was always such a big part of my life.. and I thought she was the coolest from the time my mind could remember... Thank you for sharing her with my family when we needed her the most. The memories will always make me smile and I will miss our crying hugs. All of my love for my Uncle Ray and all her kids, their spouses, and grandkids. She certainly lives on within all of you. xoxoxo*
