“ *I don't even know where to begin without crying my eyes out!!! We have a lot of memories together! It would take pages to write here! Now it's time for my dearest cousin to get to heaven and control that Noble gang who will all be talking at once....something Dave and I would Laugh about with his mom and my dad constantly. Those two would over talk each other and Save and I would just look at each other, laugh and shake our heads! I'm sure those of you that knew our parents can see it😭! Margaret, I'm sorry I'm not there. I'll be in touch with you and explain! I love you all so much! My heart is broken and hurting for all of you!!*
