“ *The Bryson’s send condolences to Dave’s family. I am John Bryson’s younger brother, Rob, and along with my sister, Mary Liz, remember John Loved going to the Sunoco station. Almost daily John talked about Dave and the station! And also Larry was always so nice to my brother over the years! Small town, USA! It’s hard to beat all the friendships! RIP Dave, you provided a “Service” more than you probably realized!*

“ Dear Uncle David's Family,
We always enjoyed speaking with him and of course the many times he came to visit my parents in Ruth for the Birthday parties and the Family Reunions. He was so positive and full of life and fun to be around. He will be missed by many.
