“ *Mark's kindness always showed, from his smile to his generosity. We were blessed to have this man in our lives. He loved his family and extended that same caring to many others. Peace to the family as they share memories . Love Aaron&Marge Snader*

“ *I went all through Ann Arbor Trail Elementary School with Mark. I remember him being so very very nice growing up -- a really truly nice guy! I recognize that smile in this photo from way back. Heaven just got a great guy! Rest in Peace Mark.*

I also went all through public school with Mark. He lived about 10 doors away. Shared many, many adventures. Developed an early interest in science fiction and as co-classmate Donna says "just a great guy."
