“ *Delores Arndt was a very special lady. If you knew her at all...you loved her for the special ways she had that made her so unique. Her loving heart and gentle spirit and gift for hospitality made everyone comfortable around her. Delores made cooking, cleaning, shopping, baking, gardening (the things I call WORK.....) look fun and easy. Delores was a remarkable Christian woman who served the Lord with gladness.....and shared the Grace of God. The memories of time shared with Delores are treasured. My most sincere condolences to Kenny, Debbie, Kathy, Donna and all of her loving family. My heart is with them all at this sad, yet joyous time when she has no more pain and is with our Lord. Gloria*

“ *I went to high school with Delores and graduated in 1960. She was a very nice classmate and lots of fun. I'm thinking of her today and praying for her and the family. I know you have suffered a loss with your beautiful mother.*

“ *May God wrap his loving arms around you and give you peace. My heart aches for your sorrow of this loving woman that I had the honor of knowing my whole life. May the memories sustain you as they bring a smile to my heart in reminiscing about all of the potlucks and ice cream socials at Trinity Lutheran growing up. The games during Sunday school and the plays at Christmas! God bless you and your family. Much love to all...*

“ *Deloris was one of the kindest woman I know. The love she had for her family was unconditional, she knew what they all were doing and enjoyed Sunday dinners after church. My clients become my family and I will miss her very much. I am glad I had the honor of knowing her. My deepest condolences to Ken and her family.*
