“ *What a wonderful man. As a little boy Dennis and Mary Lou would have me stay over a couple nights in the summer. Dennis and I would always get into something Mary Lou would disapprove of. She called Dennis the instigator agitator. And he'd give me his wonderful smirk. You will be missed. Say hi to Mary Lou.*

“ We will miss you Uncle Dennis but know you are now peacefully home with your family. I can just imagine Grandma dealing all her children another round of cards. The occasional visit with Uncle Dennis was always enjoyable, he had such a kind, positive and good nature. A favorite Michigan picture sets on my shelf of Dennis, Dad (Irving) and me by the tractor while picking hay bales. Oh, so many years ago. Rest in peace Uncle Dennis.
