“ *Jean and Travis, so sorry for your loss. Having Dennis as a cousin when I was growing up was a lot of fun. I remember when he got first sports car. When he came over to our house he gave me a ride in it. What a sleek little beast that was!! It was like sitting on the floor with my feet all the way up to the front of the car. I still remember what a thrill that was to have him take the time to give a little teenage cousin a ride. My thoughts and prayers are with you. Judy (Lemanski) Rockwell*
