“ *Diane & I attended college together in Ironwood Mich in 1964. We became good friends hiking & exploring the hills behind our dorm, studied together & listened to Elvis. Diane was a compassionate student nurse & a great friend. I am very sad to say we lost contact to my regret.*

*Diane will always be a special memory of a short lived friendship many years ago.*

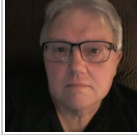

*Prayers & thoughts with all of her family who she loved deeply.*

“ *I was so sad to hear of Diane's passing. We worked together for many years at Jackson Co Dept of Social Services. Our cubicles were next to each other so we talked over the wall many times a day. Diane was such a fun friend. We shared stories, laughed much, and would go out to eat or see a movie. She was a loving, caring person to her friends, family and clients. She was a true gem. My thoughts and prayers are with Diane's family as you go through this difficult time.*

“ So sad to hear, I had just recently heard about Den's passing. There are so many family members that we have lost touch with since we were kids. Diane was always a favorite cousin of mine, she introduced me to the music of Elvis, Buddy Holly , Ricky Nelson while I was very young. I later talked to her in my own times of turmoil. She was a gentle loving soul who will be missed.

“ I worked with Diane at Dept. Of Social Services. We shared an office for part of that time. She loved her family. She was one of the most caring and compassionate person I have ever met. Individuals were better people by the example she gave. My deepest condolences to her family.

“ The entire Ramsey family has always been very special to the Smith family and Diane held an extra special place in my heart. As my Sunday School teacher, she was the epitome of kindness and grace. And oh my goodness could she be funny! So many memories that I will forever cherish of canoeing and camping and movies and pizza...but most of all studying God's Word and learning from her. Our mother, Eleanor, went to be with the Lord just last Thursday and it brings comfort knowing these two beautiful sisters in Christ are together in heaven. Sending love from the Smith family.

“ Diane had a special zest for life! She loved to travel, on one such occasion, she visited David and I (Kathie) in Hawaii. As we waited and waited for Diane to get ready for dinner, I found a dead gekko (lizard) quite dry and stiff. I snuck into the bathroom and placed the gekko next to her towel on the counter, then we waited for her reaction, well, by the time she saw it we had practically forgotten all about it. She did not disappoint us with her surprise. We laughed all night about that. She had the best sense of humor!! I will miss her friendship, Diane is the most compassionate, caring, wonderful person I have had the privilege of knowing!! My sister in Christ!  
Love you GIRL!!
