“ *Lots of memories of my brother Don:
Played the accordion very well.
Loved to play cards, especially euchre.
Hunted deer & pheasants
Fished for perch & others in the lake.
Speared fish in the creek.
Loved to dance to polkas.
Loved to golf (tried to beat me).
Pretty fast pitching softball.
Many memories of activities of him on our family farm;
like picking stones, hoeing beans, filling silo,
pulling Halloween tricks on the neighbors,
milking cows by hand and squirting the cats,
cleaning stables with a fork, cutting horns,
playing ping pong,
butchering pigs, scalding chickens, shooting rats,
making sausage and smoking it in our little smokehouse,
shoveling snow, throwing snakes at my sisters.
Will miss him but happy he no longer suffers with health issues!!

“ *Arlie and Family. Sorry to hear about Don passing. I have many memories thru the years in hunting expeditions, etc. The good memories will help the healing process over time. I just got back from down there Sunday and will not be able to attend his services. My thoughts sympathy are with all of you. Ken Gorney*
