“ *I'll always remember all the fun things we got to do together while I was growing up. You always made sure I knew how much you loved me by playing games, going out to eat, visiting family, and going bummin(shopping and running the roads). Grandma you always had the most wacky funny sayings and always kept things very upbeat. I'm going to miss going to Harbor Beach, always knowing I can stop in and see you . I know you're with the lord and the rest of your family and are at peace now. I love you and I will see you again someday.*
