“ *What a beautiful picture of Aunt Donna! Her sweet pretty smile and the twinkle in her eye would always bring such joy to my heart! To visit with her was always a treat; she had such wisdom and had so many various experiences to talk about. Her work ethic was unsurpassed as was her dedication to Uncle Ralph, whom I loved also! I have learned a great deal through the years from both of them and will forever cherish their influences! It comforts me to know they are together again, with Jesus enveloping them with His pure love. My love to each of the family members; may God comfort you and fill you with His peace. Most sincerely and with heartfelt sympathy, Sharon*
