Remember Donna, as a very nice and kind member of the Port Hope High School class of 1960.

I have a memory of Donna that I think of often. Donna was a “high schooler” when Carol and I were in junior high. Donna knew all the latest dances and taught them to Carol and me. I had such fun times with them in the McCollum living room, music playing and learning how to do the “mashed potato” and the “twist.” It made me feel very grown-up to know someone in high school who took time to give me that attention.
