“ *sylvia I was going through these Harbor Beach memorials and saw Doug's obituary. I was raised in Harbor Beach. Doug was one of my favorite child-hood friends. Me and my brothers Gary and Dave valued his friendship and we had loads of good clean fun while we were kids. I asked Doug if he would come to our 55 reunion but he said no. I wish I could have met you and seen him again. I am going to be 80 in a week so it really hurts my heart to see that my good friend Doug has gone to his Lord. I know it's been almost two years but I want you to know you married a good god man, cause he certainly was a good friend and fun to be with when we were kids. God bless you now and take care. My name was Sandy Popour back then.*

“ We met Doug & Sylvia while camping at Campers Haven in Bad Axe. Both our granddaughters seemed bored, so they got introduced and we all became good friends. Doug was a wonderful, helpful, caring and jovial man. He will be missed. Rest in Peace, Doug.
