“ *Oh, Rosie.....I'm going to miss visiting with you on my trips back to HB. I'll always remember the fun you had at the office parties. I have the recipe for "Rosie punch" in my recipe box! Thank you for being a good friend to my Mom. You two had the same sort of wit! You will always be remembered.*

“ Our family loved Miss Rosanna. My mom and dad, Jack and Carol Noble, are unable to do much communication right now. If they were able, they would want to say how much she meant to them both (all of us!). She was considered part of the family. Merv Rodda was my grandfather (mom's dad) And of course Rosanna had a special place in his heart. When he passed, the relationship between Rosanna and the family continued to grow. We loved her and will miss her. Our deepest condolences to your entire family for your loss! She was a great woman.
