“ *Some of best memories of Earl are when I was little my parents would always take us kids to visit my grandparents. When we would arrive the very first things us kids would do is run to see if Grandpa would lets us ride on the tractor. Even as we grew older into out preteen years Grandpa would still have a line up of his grandchildren wanting to ride with him on the tractor. Earl may have physical left us but there are so many that will still love him as he smiles down at us from heaven. My your soul forever Rest in Peace love you Grandpa!*

“ *The best memory I have of Earl was when my father died, and my daughter who was about 5, asked with tears in her eyes "Who's going to be my Grandpa now?" Earl immediately threw his arms around her and said he would be her Grandpa. It meant so much to her then, and to me always. Great, caring man. RIP. John Davis*

“ *My sympathy and prayers to Earl's Family and friends. Earl and I were first cousins, and contemporary, Earl being a half a year older. I pray and say as we have been doing now for centuries: "Eternal rest give to him, O Lord, and let perpetual light shine on him forever. May he rest in peace! May his soul and all the souls of the faithful departed through the mercy of God rest in peace."*
