“ Rachel and Pete, I am so sorry to hear about your mom. She was an awesome lady. I remember her working as a teacher's aide when we were in elementary school and somehow managing to keep all of the kids in line at recess, years later I recall her becoming the school librarian. She always had a smile on her face, kind words to say and was never too busy to stop and say hello when I would come home to visit Harbor Beach. My thoughts and prayers are with you both.
