“ I will always remember my aunt Elaine for her special kind of love, only an aunt can give. I was blessed to have so many aunts, but my two favorites were the twins, probably because they are my Moms sisters and she was so close to them. I will never forget all good times we had, or her special laugh. She will be greatly missed but never forgotten. All my love and prayers to you dear cousins.

“ My thoughts and prayers go out to the family! I was blessed to have cared for Elaine for 2 1/2 years at Meadow Lane! She always shared such beautiful, and funny memories of her children and siblings. She always told us girls how much we were a blessing to her, but I think she was a blessing to us! We love you, Elaine!

“ I will always remember Aunt Elaine as very kind-hearted. There are many beautiful memories of times spent together at Grandma and Grandpa Burkhard's house with family get togethers. Please know that all of you are in our thoughts and prayers during this difficult time.
