“ *I will miss Elsa, as she was such a nice, caring and beautiful person. She would give all that she had to make someone else happy. Growing up she had left a Easter Basket at the front door that had more candy in it that I could eat. She did so much for kids and I hope they will remember her always. God Bless you Elsa and you are now with your family in Heaven. I was glad to have gotten to see her one last time when she was in very good spirits and had her sense of humor. I will treasure the Pot Holders that she made for me. Truly a very nice lady.*

“ *I have such fond memories of Mrs.Schave. She was a wonderful mother and a truly amazing person. She was the Brownie leader for all the little girls of Port Hope when I was young, myself included. She always gave so much to everyone. Words cannot express how happy I am for you to finally be able to reconnect with your beautiful little girl Pauline, and of course Bobby, your son. I know you will find much happiness, peace and warmth in the arms of our Lord, Jesus Christ.*

“ We are cousins of Elsa and have a lot of warm memories of our childhood visits to "the farm". Unfortunately, the demands of life and sheer distance caused us to lose touch for many years, but we feel fortunate to have been able to reestablish contact with her these past few years.

She experienced great sadness in her life, but also much joy, and her unwavering love of the Lord is what got her through the challenges. She was inspirational with her positive attitude and the appreciation which she showed for all the little things many of us take for granted. May she rest in peace.

“ Elsa was one of the most caring and giving people i know, even though i didnt know her real well. She loved the kids at the school and volunteered alot of time helping there. If evryone could live the God-fearing and humble life she did, the world would be a better place. Rest in peace Elsa.

“ Although I didn't know Mrs. Schave, I wish to send the family my deepest condolences. I understand how difficult it is to lose someone you love in death. There is something that has always brought me great comfort that I wanted to share with you.

The one thing we want most when we lose someone is to be able to see them again. Such a thing is not an impossibility, for the Bible promises this will happen soon in the future. John 5:28, 29 says "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes, soon you will be able to welcome Elsa back in perfect health to a beautiful new paradise earth God has promised. What an exciting time that will be!

At this time, grief is something very difficult to bear, and Jehovah God sees your pain. We look forward to the time when death will be "swallowed up forever." (Isaiah 25:8) May you find much comfort in the Bible's resurrection hope. My thoughts and prayers are with your family during your time of loss.
