“ Dear Joann and Family,

Marie and I extend our sincerest sympathy to all of you during this time of grief and loss. Fred and I were in high school together, both graduating from Harbor Beach in 1953. We had many good laughs together and always enjoyed connecting at class reunions over the years. May you find comfort in knowing that Fred now rests in the loving arms of Jesus. You are in our prayers.

“ Kathy and I send our condolences and prayers to the family and friends of Uncle Fred, especially to Aunt Joann, Myron and Renee. He was always so much fun to be around and I will never forget his sense of humor. He even had the patience to teach me how to drive a three speed on the column long before I was old enough to drive, something my Dad tried to do before giving it up as a lost cause. You will be greatly missed, Uncle Fred. God bless you.

“ My heart is sad to read about your passing. You and Joann were like parents to me. I remember the times when you would take Renee and I to the Huron County Fair each summer. I know you will be sadly missed by your family and Friends. It is understood that God only takes the best. Untill you meet them again, look over them and just know that you will always be with them when the sun shines, and the rain drops fall.
