“ Fred was an amazing very sweet man. He was always smiling ,I met him while working at the Harbor Beach Post Office . He would always pop his head in the door to say good morning to his favorite girl and tell me to have a great day! We love you! He always put a smile on my face. I would tease him and tell him he better be careful Bea's gonna get upset with him and she's a great woman he better take care of her. He would always smile and say she knows I love her she's my number one gal. Right Bea, she would laugh and say yes Fred. He was such a sweet man I will truly miss him brightening my mornings. I love you Fred till we meet again. 🙏❤️

“ Dr. Gerhardt was an amazing and kind individual. He always took time to listen, teach and care. We spent plentiful evenings on the golf coarse at Verona Hills, where he not only taught me about golf , but also life. Many of his lessons I still remember to this day. May the lord bless you and keep you, and I'm sure when we get to heaven, we will hear how you beat him at golf.
