“ *Gar and Judy were two of my parent's (Pat & Ernie Teichman) closest friends. We all grew up together in the Thumb.....the Teichmans in Cass City and the Collicks in Minden City. I have very happy memories of spending time together with Gar, Judy, Kathy and Bruce, many of which include that big ole' sprawling farmhouse, barn and fields. Gar had an infectious laugh (as did Judy, too) and it was always a fun time. Gar and my parents always remained close.....Gar made it a point to come visit my folks in Florida when he was out traveling in his RV. I always looked forward to hearing where he was in the country. He was a true friend and he will be missed.*

Our hearts go out to you, Bruce and Kathy, as you have been through so much these past few weeks. During this holiday season, I pray God brings you peace and comfort. We all will be thinking of you guys and your families.

*With love,
Lori (Teichman) Bohlen*

“ *I have known Gar and Judy since I was a young girl. They were my sister Pat's best friends. I will always remember his stories that he would tell and he always had a smile on his face. He sure will be missed. My deepest condolences to Kathy and her family, Bruce and his family and Ellen, Buck and their family . I have some health issues and can't drive so I will not be able to attend the funeral. Sending hugs and prayers.*
