“ I wish to send your family my deepest condolences. I know how hard it is to lose someone you love. Something that always comforts me is the promise found at John 5:28, 29: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs (graves) will hear his voice and come out." This is a sure hope in which the Bible promises we will be able to see all our dead loved ones, including Gary, once again right here on a peaceful new earth. (2 Peter 3:13) What a wonderful prospect that is! We look forward to the time when God will "swallow up death forever." (Isaiah 25:8) May you find much comfort in these Bible promises and my thoughts and prayers are with you during this difficult time.
