“ *Expressing condolences to the Geri Tenbuch family. She had worked for my father, Dr. Teves for several years as a receptionist and insurance billing. She was always very positive and enjoyed working with patients. I will hold onto fond memories of her smile, laughter, and her dedication to her work. She used to always speak very highly of her family and had a very faithful Christian heart, i.e. to St. Peter and Paul in Ruth. Peace be with you and may memories comfort you.*

“ Although not family by blood, I don't really think of her as Geri or Geraldine, but as "your mom". I suppose because for those very special times that we were with her at the farm - either after the long treks from North Carolina or in the years afterwards on other visits - she was also "my mom" for a few days. She embodied the true spirit of open hospitality with love, concern, acceptance, and humor. I was privileged to be a part of her, and all of your, family during those times. May she rest now in the light and company of Heaven, a just reward for a life well lived. I pray that God grant you all the peace and serenity that can be found in your loving memories.

“ I remember at a reunion your mother addressed a child and said "You are just a kitten trying to fool an old cat like me". I admired her humor and quick wit. I am so sorry for your loss. Kay Macaraeg

“ *I could write a book about my Aunt Geri. She was a delightful lady with a wicked sense of humor. As a child I spent many weeks in the summer at the farm where she lived near Ruth. Rest in peace Geri. Enjoy your reunion in Heaven with the family who have gone before you.*
