“ *Gertie was such a kind, soft spoken lady. She was always looking out for others, weather it be her children, the children at school or others at Courtney Manor. It was a pleasure to have known her. My sincere condolences to her entire family!*

“ *I came up here in 1978 & didn't know anyone. Gertie was one of the first people I met and we connected immediately. She was a second mother to me. I would go visit and sit on her porch drinking coffee. I was in a bind for a cook at the resort and she really wasn't interested, and I think she only took the job because she liked me as well. We had many good times together. Heaven truly got an angel today.
My thoughts & prayers go out to the family.
