“ I have thousands of memories of my momma but one that I can still feel was when I was a little girl in the evening laying on her lap while we watched tv and she would gently touch me and her touch was always filled with so much love. ❤️

“ *The one thing that I will never forget about my grandmother is that she always had a smile on her face, even when life was hard. She was always happy to see us. I will never forget Christmas Eve at the farm as a kid, opening presents, listening to records, seeing Santa and picking out a candy cane to take home. Whenever her and Grandpa would visit us, she always brought us a bag of treats which almost always included Starbursts, Snickers and Sunkist Jellies. I also loved that we shared a birthday month, which meant that we often got to share a cake or blow out our candles together.*

My last visit with Grandma was last summer when she was in the hospital. We stopped in on the way to the airport. Brogan was with us and we got to visit for a little bit. As most toddlers are, he played shy. On the way out, Brogan turned to her and blew her kisses and said, "I love you." She got so excited and said that she would never forget that. I will never forget that either.

“ As a child, I used to frequently go and stay with one of my besties [Brenda] at the Wrubel farm. I remember the awesome meals that Mrs. Wrubel cooked. She almost always had a smile on her face. My heart goes out to all the Wrubel family. I am sure she will be greatly missed. Heaven gained another angel. Hugs. Renee' [Horiski] Morell
