“ Words can not convey the sadness of losing a love one. When that some one was so much of your life. Just stopping in for a cup of day old coffee and using the bathroom, to taking you to the hospital because you hit your head and was bleeding when you were a kid. Offering you a float and you said I didn't bring my swim suit. Always feeling welcome, When my Mom died she let me cry as she hid her tears because it was her sister. So many good memories. By for now Aunt Mae!
